## Falling into Autumn

I don't want to be too gloomy, but sometimes it feels as though we're heading towards a catastrophe; or at least, that's what it feels like to me in the UK anyway! Our political system is a walking disaster, our energy bills have more than doubled within the space of a few months, we hit the hottest temperatures ever recorded in the UK over the summer, we've forgotten what rain looks like, Covid looms like an ever-present spectre in the distance, and several world leaders are certifiably insane. I guess all of that provides me with a damn good reason to write stories which might cheer us all up a bit, and help us to escape from reality, if only for a little while.

Fortunately, I've been working hard throughout the summer and am happy to announce the release of two new titles in September.

The first is a full-length novel called *Date 38*. More information about that on the next page!

The second is the next installment of the *Canis Hall Series*; *Harvest Moon*. Not only does this contain a scene with Grace and Benedict which made me blush to write, but things start hotting up for Charlotte and Maya too, with their respective beaus.

I can't wait to share both books with you.

As always, thank you so much for your ongoing support. Best, Fenella x

## Date 38: A new release!

According to my records, I started writing Date 38 in June 2021, which is possibly the longest time it has taken me to complete any book. Part of that reason is because it's far longer than normal, weighing in at over 75,000 words, so it takes a while to knit everything together, firstly in my head and then on the page. The other reason is that I'm a procrastinator who is easily distracted. For example, thinking it's a good idea to write a 12 book series about a wolf-shifter when I have other books in flight!

The lead female character in Date 38 is called Holly Bentley. She's been single for a while and during that time, she's experienced a litany of disastrous dates with unsuitable men. Her failure reaches a pinnacle on her thirty-seventh date, which concludes with Holly becoming so intoxicated that she has to be taken home by a complete stranger.

Fortunately...or not!..., that stranger turns out to be Ben Dawson; a billionaire, all-round sex God, and the new CEO of the company where Holly works, not that she realises that immediately. There's an instant and undeniable attraction between them, but they're hampered by one major issue. Ben's contract contains a strict clause; personal relationships with all employees are out of bounds.

The question is, can Holly and Ben navigate the dangerous waters of forbidden desire, or will the temptation ultimately become too much for them to handle?

Date 38 can be purchased from **TODAY** on [Amazon.com](https://www.amazon.com) and [Amazon.co.uk](https://www.amazon.co.uk).

# Canis Hall Series: A Freebie!

## Excellent news!

Since the last newsletter, I have finished writing and editing the Canis Hall Series and the last four books are now available as pre-orders:

**September 10th** - Harvest Moon (Book 9) - on [Amazon.co.uk](https://www.amazon.co.uk) or [Amazon.com](https://www.amazon.com)

**October 9th** - Hunter's Moon (Book 10) - on [Amazon.co.uk](https://www.amazon.co.uk) or [Amazon.com](https://www.amazon.com)

**November 8th** - Frost Moon (Book 11) - on [Amazon.co.uk](https://www.amazon.co.uk) or [Amazon.com](https://www.amazon.com)

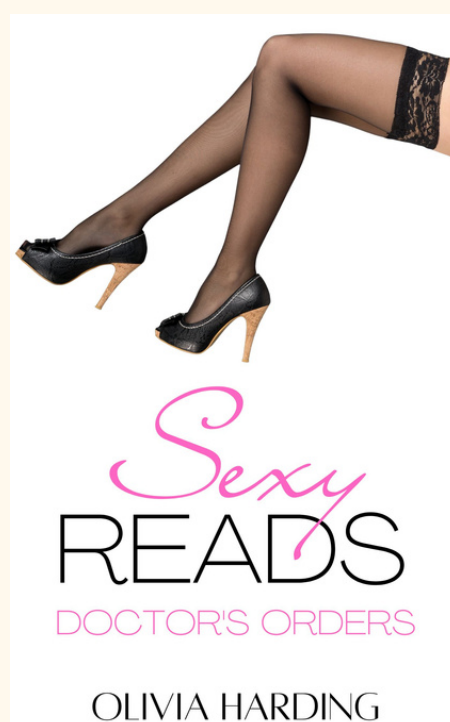

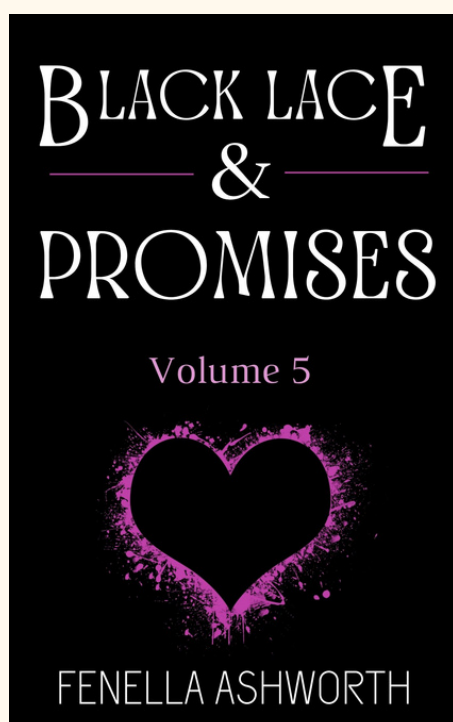

**December 8th** - Cold Moon (The final instalment - Book 12) - on [Amazon.co.uk](https://www.amazon.co.uk) or [Amazon.com](https://www.amazon.com)

For those of you haven't yet had the pleasure of Benedict Canis's delightful company, I highly recommend a dalliance! But then perhaps I'm a little biased!?

I'll let you decide for yourself because from now until Sunday 12th September, Wolf Moon (Book 1) is available to download **FREE** from [Amazon.com](https://www.amazon.com) and [Amazon.co.uk](https://www.amazon.co.uk).

I'm well aware that I have dedicated readers outside of these two domains, however, including some wonderful readers in Australia, Canada and Germany who have left some fabulous reviews in the past (Thank you!). So, if you aren't able to access the free download, please contact me at [fenellaashworth@gmail.com](mailto:fenellaashworth@gmail.com) and I will email you an ebook version in return.

## What's next?

After what has felt like an incredibly fast school summer holidays, sanity has returned now my six year old is back at school! This gives me a great deal more opportunity to dedicate time to writing.

So the next books in my sights are:

### **Black Lace & Promises - Volume 5.**

Like the previous volumes, this will consist of three novellas.

### **Daniel Lawson Book 8**

I did a ton of planning over the summer holidays on this (and Book 9), so I am literally chomping at the bit. I just have to read all previous 7 books first, to get my head back into Daniel Lawson's frame of thinking. It's a tough job, but someone's got to do it!

### **Sexy Reads: Age gap**

Turns out, people like smut -who knew? The short story compilations I've been publishing under the pen name Olivia Harding have outsold almost all my other books. So it's hardly surprising that I'm working on more titles. Having released a series focussing on sexy cops, and another on younger women with older guys, I'm repeating the latter theme with a third series. A fourth series will then follow, focussed on older women and younger men. Since the last newsletter, I've published the following two short stories, with plenty more planned:

-[Doctor's Orders](#)

-[One Long, Wet Night](#)

The links provided are for B&N, but these books are also available on Amazon.
