FENELLA ASHWORTH

OFFICIAL NEWSLETTER OF STEAMY ROMANCE AUTHOR

www.fenellaashworth.com

Christmas is fast approaching!

Welcome to my latest newsletter and I hope you and your families are all well. Life goes on as before in the Ashworth household, although the knowledge that Christmas is just around the corner is terrifying for me (I haven't even thought about organising gifts and cards yet!) and soooo exciting for my five year old, that I'm amazed he manages to get to sleep most nights!

So far, since January, I'm surprised to discover that I've written three quarters of a million words (yikes!) and I still have plenty planned before the end of this year. Certainly, since my last newsletter back in the summer, I've been very busy and have published the following 3 new books:

- A Very Rural Affair - Book 3
- Bad Boys go to Heaven (This has also just been released as an audiobook!)
- Experimental Pleasures

More about each book in a mo. But firstly, I would just like to say a huge pre-Christmas thank you to a wonderful lady called Mel. Not only is she a big supporter of my work, but she also has the dubious honour of reading my stories prior to publication and providing me with invaluable feedback. So I'm raising a glass of wine (or maybe something fizzy!) to her tonight! Cheers Mel!

Cheers!

Work in Progress

They say the definition of insanity is doing the same thing over and over again and expecting different results. For the past few years, I've been writing hot and steamy romances, doing very little advertising (largely because some of the big corporations such as Amazon forbid advertising naughty stuff!) and hoping to be able to increasingly earn an income from my efforts.

But I won't deny it's a hard slog. So, in the hopes of proving that I'm not insane, in the new year, I intend to take a new approach. As well as continuing to write some more of the stories you have come to expect from me, I'm planning on branching out. This will include submitting a steamy romance manuscript I'm working on to a traditional publisher I'm in contact with (to date, I've only ever considered the self-publishing route). I also plan to write outside of the genre I've been focussed on (possibly under a different pen name). Cozy mystery and Paranormal Romance (PNR) are the most likely candidates at present. Indeed, I started the PNR today, and its shaping up to be HOT!

I will, however, continue to release some of my more traditional stories, and these are the most likely candidates to be with you next:

1) To Love, Honour and Oh Pay - Book 3

Book 3 in this popular series sees the return of all the earlier characters, including William, Lizzie and Fiona. I've actually hit publish on this book **TODAY!** Here are the links: [Amazon.com](https://www.amazon.com), [Amazon.co.uk](https://www.amazon.co.uk), [Amazon.ca](https://www.amazon.ca) and [Amazon.com.au](https://www.amazon.com.au).

2) Four Times Moor Pleasure

A sequel to 'Three Times Moor Pleasure', this book will see the return of the four lead characters, plus (spoiler alert!) the introduction of one more!

3) Date 38

A new steamy series, I've already written a good chunk of this and am loving the characters so far!

What's recently been released?

A Very Rural Affair - Book3

This is the third and final story set with this fun-loving set of characters in the isolated English village of Hawksbury Hollow.

"This series just gets better!"

Your Christmas Gift

As I've alluded to before, I have been hard at work to write a Christmas story for you. It is no exaggeration to say that I am hugely grateful for the support of every single one of my newsletter subscribers. I want to show this appreciation by providing you with ongoing evidence of that, rather than just giving you a freebie when you sign up.

With that in mind, I've been working on a new shorter story over the past month or so. At some point during 2022, it will likely form part of the fourth volume of my 'Black Lace and Promises' series. But for now, I'm going to publish it as a novella e-book on Amazon.

For five days during mid December, I will be making it free to download. When I do this, I will email out to all my subscribers to make them aware. So, please don't feel obliged to purchase the ebook now because you'll be able to download it free when I email you in December. As I'm only able to make the book free on Amazon.com and Amazon.co.uk, please reply to my email if you don't use those two sites, and I'll do my best to send a PDF version to you.

I really hope you enjoy the story. It's about a lady called Madeline Jones (Maddie, Mads or just plain Jones to her closest friends!) who takes part in a Christmas Eve Treasure Hunt. There she bumps into an old schoolfriend, Todd Carter, who has since become a famous English sportsman. They haven't seen each other for ages and didn't part on the best of terms. An incident happens, shenanigans ensue and naturally the steam levels dramatically ramp up.
